

Project GREEN and the Iowa City Public Library present
Second Sunday
2018 Winter Garden Forums*

Meeting Room A – 2 - 4 p.m.

Free to the Public - Refreshments and Door Prizes!

Sunday, January 14, 2108

Lisa Orgler to discuss “Creating Garden Rooms”

As a faculty member of the Iowa State University Department of Horticulture and creator of the website, “Paper Garden Workshop,” (www.papergardenworkshop.com) Lisa knows that creating a landscape plan can often seem overwhelming. The good news is she will share her design process to create garden structure, which in turn, miraculously reveals garden “rooms” surrounded by planting beds. Lisa is an award-winning designer, artist and educator from Des Moines. She uses her illustration skills to teach the topics she adores - garden design and landscape graphics.

Sunday, February 11, 2018

Laura Hawks presents “Ashton House Landscape Revival”

An Iowa City-based registered professional landscape architect for 29 years and principal of Hawks Design, Laura will discuss the transformation of the Project GREEN Gardens at Ashton House. She will also discuss projects she has completed for Project GREEN, as well as, past and present successful plantings throughout Iowa City’s parkways. Throughout the presentation, Laura will share examples of her specialty and passion for plant materials.

Sunday, March 4, 2017 (NOTE: this is the first Sunday; daylight saving time begins March 11)

Deb Walser presents “Blueberries, Strawberries and Raspberries, oh my!” and “Introduction to the newest and coolest annuals and perennials”

Deb, a recently retired perennial expert from Peck’s Green Thumb Nursery in Cedar Rapids and an active Master Gardener, her love affair with berries began as a child in her grandmother’s raspberry patch. She will share her experience and success in growing the best tasting berries in your backyard with tips for the right soil, location, watering and pruning techniques. Deb will also challenge you to add some spunk to your perennial gardens by introducing some new perennials and annuals and mixing them up for constant color throughout the season.

*Second Sunday Garden Forums are free and open to the public.

Attendance at the forum qualifies Iowa State University Extension Master Gardeners for education CEUs.

Second Sunday Garden Forums are televised on the Iowa City Public Library Cable TV channel,

in our newsletter and on Project GREEN’s website – www.projectGREEN.org

All Second Sunday Garden Forum programs will be from 2 to 4 p.m. and are typically held the second Sunday of the month in meeting room A at the Iowa City Public Library. The Garden Forums are broadcast live on The Library Channel, Iowa City Public Library's cable channel — channel 20 on MediaCom Cable in Iowa City. The programs will be edited and added to the library's on-demand video stream at video.icpl.org. DVD copies also will be added to the library's circulating nonfiction DVD collection and may be checked out to anyone with an ICPL library card or borrowed via interlibrary loan.
