

OPEN GARDENS WEEKEND

Project GREEN is trying a new kind of Open Gardens event:

- visit a wide selection of exceptional Iowa City gardens
- for absolutely FREE
- and raise money to make our community more beautiful while enjoying the event!

The money raised comes from local business sponsorship, and your attendance makes it a bigger event for sponsors.

Find joy and inspiration in gardens ranging from tiny plant-filled patios to impressive landscapes, flowers, vegetables, garden styles from formal to quirky, English cottage to exotic Asian – enjoy hidden backyard gardens never opened to the public before!

Pick up your Open Gardens Map beforehand from a participating sponsor, or at Ashton House during the event. More info coming soon!

Project GREEN Open Gardens Weekend

July 13-14, 2019

10AM-3PM

FREE Admission
No tickets necessary

Local business sponsorship of the event raises money for Project GREEN Community and School Beautification

Get your Open Gardens Map at a participating sponsor, or at the Ashton House during the event

To volunteer, become a sponsor or open your garden:
